Kiwanis Club 1966 Program Outlined at Division Meet

Nearly 70 representatives of delegates that a traveling gavel Kiwanis club in Division 14 of the Illinois-Eastern Iowa District, Kiwanis International, heard the organization's 1966 program outlined at the Rose Bowl restaurant Monday evening at the mid-winter division conference, hosted by local Kiwanians, Peter R. Jellen, Granite City Kiwanis president, welcomed the delegates.

Lt. Gov. Basil Compton of East St. Louis presided and introduced eight past-president governors who attended. They included Marvin Barnes, Granite City; Al Barnard, Alton; O. B. Fulton, O'Fallon; Louis Boulton, Joliet; Harold Hefter and George Barnhardt, both of Glen Carbon; and Henry Matthews, Greenville.

Nine club presidents also introduced by the presiding official were Joseph McBride, Wood River; Paul Morton, Belleville; Arthur Long, Alton; Edward Stubbs Jr., O'Fallon; Robert A. Cooper, East St. Louis; John W. Biggers, Collinsville; Frank L. Flanagan, Edwardsville; Nick J. Hauland, Glen Carbon; and the host president.

Explains Research Project
Principal speaker of the evening, Henry Matthews, treasurer of the Kiwanis Illinois-Eastern Iowa District, discussed the importance of research work being conducted and the care given to young patients at the Children's Spastic Paralysis Foundation in Chicago. The hospital facility, under the direction of Dr. Amadore, a noted medical authority on spastic diseases, is maintained with funds donated by 240 district Kiwanis clubs.

The district executive urged each club to contribute 100% to keep the project fully operational and well-equipped. More than 500 youngsters are cared for annually at the hospital, Matthews said.

Lt. Gov. Compton outlined the 1966 objectives of the I-EI District, which he related as: Net increase of 390 members, one new member per club; formation of six new Kiwanis clubs, five new "Key Clubs" and four new Circle "K" groups; 1300 registrations for the district convention in Chicago, Sept. 11-13; increased emphasis on service activities; strengthen weaker clubs throughout the district; actively participate in all International Kiwanis programs.

He reiterated Kiwanis International objectives for the current year, based on the theme of leadership-for God, peace, freedom, country, government, youth, free enterprise and club ideals.

Traveling Gavel
The division officer, informed Granite City Press-Record

To be eligible for an Interdist award, local groups must visit each club in the division during 1966 and also attend a meeting with a club outside Division 14, Lt. Gov. Compton announced.

Disposal chairman reporting future events, included George Barnhardt of Glen Carbon, who invited all clubs to be represented at the Kiwanis International convention July 1-5 at Portland, Ore., and at the district convention in September.

Peter R. Jellen, of East St. Louis, boys' and girls' committee chairman, requested renewed efforts be made to form new youth clubs. A third report was made by Louis Boulton of Edwardsville, District 14 public and business affairs officer, who sought cooperation for several new ideas to be included in club activities during the current year.

Most of those attending the conference were newly-elected club officers, who later adjourned for separate instruction workbooks conducted by Compton and Matthews.

Illinois to Get U.S. Manpower Development Fund

Approval of a state-wide Manpower Development and Training Act project in Illinois to train 115 unemployed or underemployed persons was announced this week by Secretary of Labor W. Willard Wirtz and John W. Gardner, secretary of Health, Education and Welfare. A total of \$555,240 in federal funds has been allocated for the program to be conducted at various vocational schools.

Training courses will include such occupations as motor vehicle mechanics, clerks, auto repairmen. Although trainees cannot be guaranteed jobs on satisfactory completion of the MDTA course, the federal officials said, more than 88% of the graduates have been placed in following similar programs. Federal-state public employment offices are responsible for placing graduates.

Since 1962, over 700 MDTA institutional projects have been approved to train more than 436,000 persons in 700 occupations. Employers interested in recruiting MDTA graduates may do so through their local public employment offices.

MORE ABOUT

Dustfall

Industrialized section, however, would be about 25 tons. **By Times Staff Here**

Considering the Quad-City area has about two to three times more dustfall than it should, on the basis of the one test, and about twice as much as it should, on the basis of the other test, East St. Louis, on this basis, has about four times more dustfall than would be considered a satisfactory condition.

In the dustfall tests, as a matter of comparison, the ratings for Alton is an average of 17.36 tons per square mile per month, or about seven points lower than the standard rating for an industrial area. The Quad-City and East St. Louis dustfall ratings for a full one-year period topped the list of 42 sampling areas.

In sampling for sulfation, the Quad-City area had a rating of 5.5 milligrams per 100 square centimeters per day. This testing also was for one year from March 1963 to February 1964 on a general sulfation rating tests. Tests also were tabulated and diagrammed for various industrial sulfates.

Sulfation Testing Figures

The most applicable sulfation tests providing an overall picture in this category show the Quad-City area, during the year of sampling, had a minimum rating of 2.7 milligrams per 100 square centimeters per day and a maximum of 3.03 milligrams for a mean, or average, reading of 2.90 milligrams per day at one sampling station, and a minimum of .48 and maximum of 3.77 for an average of 2.90 milligrams at a second sampling station.

Highest in sulfation ratings was the south St. Louis station in a highly industrialized area. This station had an average rating of 5.5 milligrams per 100 square centimeters per day, with East St. Louis second with an average of 3.819 milligrams. The Quad-City area was in third place with its highest reading of 2.9.

Mitchell told reporters that a satisfactory standard for sulfation would be 25 milligrams per 100 square centimeters per day on the basis of one year of sampling, or .50 milligrams on the basis of one month of sampling.

2 Times Over Standard

The rating tables disclose, therefore, that the Quad-City rating of 2.9 milligrams on this basis, has about 14 times greater than that considered a satisfactory level. East St. Louis, on this basis, has about 14 times more sulfation than is considered a satisfactory standard. The south St. Louis area, highest in the ratings, has a reading of 21 times more sulfation than the satisfactory level. Alton's 13.18 rating is only four times over the standard.

As for hydrogen sulfides, the entire report carries rating tables on only two sampling stations, both in the Quad-City area. One of these is based on 15 days testing, with readings tabulated for each two-hour period of each 24-hour day. Average computations obtained in this sampling ranged from a minimum of 1.6 parts per billion to 2.9 parts per billion, compared to a standard of .05 parts per billion.

The other sampling of hydrogen sulfide content was made during October and November 1964, covering a 37-day period. It

revealed two-hour average readings ranging from 1.5 parts per billion to 4.4 parts per billion. **Not At All Common**

Copied told reporters that hydrogen sulphide pollutants "are not at all common. This is a combination of elements that causes the discoloration of paint. In many instances paint with lead base will come off spatchy. We do not know the actual cause of the transformation. It is an undetermined combination of certain things in the air that creates a change in any paint with a lead base."

The Quad-City area ranks second among 17 sampling stations in the air content of suspended particulates, which are made up basically of smoke and flyash. It is exceeded only by the same south St. Louis station that outranked this area in sulfation content. The St. Louis station had an average particulate rating of 303.5 micrograms per cubic centimeter on the basis of 39 tests over a one-year period.

Mitchell explained that the standard satisfactory level would range from 75 to 100 micrograms. This would mean the Quad-City area tests showed a year-long average sulfate and a half times more particulates than it should have for a satisfactory air condition. The St. Louis station readings were two times greater than they should be. Third highest reading among the 17 sampling stations was taken in the East St. Louis area and averaged 176.42 micrograms per cubic centimeter, or approximately one time greater than they should. The East St. Louis rating was based on 69 samplings.

Mitchell outlined the development of the Interstate Air Pollution study and said a series of additional reports have been committed by the new report.

To Propose Program

Also in the making is a report on the response of public officials to the existence of air pollution and their concern for remedying the situation. Final report in the series will be a proposal for an Air Resource Management program.

Mitchell pointed out that the objective of the air pollution study executive committee is to establish standards that can be achieved and maintained with the best of today's technical knowledge and available equipment. This will entail many variants in planning, he explained, since many industries within recent years have installed equipment to reduce pollution.

"In setting standards we must consider what already has been done voluntarily by a great number of industries and others involved," Mitchell said. "If an industry has gone to great expense to install equipment for reducing pollution by 80% or more, we can't say it has to be 99.5%, or some other standard that could mean only a slight deviation, but entail great added cost."

The report released today, Mitchell said, primarily answers the question "How Dirty We?" The findings of the report will enable air pollution engineers to put their fingers on the source of pollutants and determine where action is most needed and most urgent, he said.

\$48,000 Food Stamp

Sales in County

More than \$48,000 public aid food stamps were purchased in Madison county during the last two weeks of December, according to William Noble Thomas, regional director for the food stamp program in Madison and St. Clair counties. Thomas, who addressed the Madison Rotary Club yesterday said that in line with established programs in other areas, Public Aid Department officials believe this figure will substantially increase as advantages of participation become familiar to those eligible.

Thirty Madison Rotarians were present, presided, Willie Radman was program chairman. Thomas said the food stamp plan was instituted to insure widespread purchase of food necessities and will increase food allotments of all public aid clients.

Administered by the Madison County Department of Public Aid at Edwardsville, the program requires eligible Quad-Cityans to register at the Edwardsville office prior to purchasing the stamps at two local banks.

Stamps are redeemable for food items at authorized grocery stores, including meat, poultry, fish, and tobacco, pet foods, paper goods and household supplies cannot be bought with the stamps, he added.

Special Legislative Session Possible

(Special from Springfield)

Possibility of a special session of the Illinois Legislature was reported developing at Springfield today, with the final decision depending upon balances in the state's educational funds within the next few days.

Gov. Kerner, committed by past performance and promises to educational programs, reportedly is scheduling a press conference with newsmen early next week to make a statement.

Two schools of thought on the necessity of a special session have developed. These are based on the balances in the school funds and in the Illinois road fund, both of which are reported to be near depletion. The school fund was reported to have run into trouble because the per capita cost of educational grants has been determined at \$3.30, compared to a budgeted \$3.20.

Offsetting the need of additional funds for highway and school purposes is the cost of a special session for which there is no budget provision.

industries which, in turn, will attract new satellite industries elsewhere in our metropolitan region," Barron added.

"Further," he said, "we feel we have a great number of basic competitive advantages. This industry in all respects, it has fully adequate food protection, drainage and waste disposal. It has superior utilities—electricity, gas and water. It has outstanding river, truck, railroad and air transportation.

Seek Economic Growth

"None of the participating companies are interested in making a profit on real estate. They expect to recover their costs, but their basic interest is in the economic growth of the area and the business they will receive from serving new industries."

Barron pointed out the program will not require local tax support or government grants or other financial support. He said the participating companies are beginning an intensive sales program throughout the country with major U. S. Corporations. It includes national advertising, direct mail and personal contacts with the nation's leading industrialists.

The commander explained that the role of the Tri-City Regional Port District in the program has been one of bringing people together. "We have been the coordinating influence. The individual companies have provided the funds."

The program has been in the making during a six-year period, Barron said.

Much credit is due, he said, to Gov. Otto Kerner, Eugene C. Kerney, Jr., president of the Department of Economic Development, and to State Rep. Lloyd "Curly" Harris, who aided extensively in the program.

Land acquired for the program included an area estimated at around 1100 acres that had been sought by proponents of a plan to expand the Lewis & Clark Memorial area to a larger preserve.

Thomas Britt Injured Fighting Venice Fire

Thomas Britt, city-employed driver for the Venice volunteer fire department, was injured shortly after 10 a.m. Tuesday while fighting a house fire at 306(r) Slough road. Britt suffered a broken left ankle when he stepped from a fire truck into a hole in the ground.

Firemen were called to the Slough road address about 10 a.m. Fire destroyed the building and contents. Firemen estimated the loss at \$300 to the building and \$400 to the contents. The house was occupied by Floyd Andrews.

Britt had taken the department's pumper truck for a load of water and was injured as he stepped from the truck upon his return to the fire scene. He was taken to St. Elizabeth Hospital and released after treatment. He lives at 71 Venice Homes.

Venice firemen were called Wednesday at 7:05 a.m. to the Madison yards of the Terminal Railroad Association when a piggy-back trailer caught fire from an overheated alcohol heater. The fire gutted the trailer, destroying its cargo of cookies, cake and candy mixes. No estimate on the loss was available.

At 12:50 p.m., firemen were called back to the trailer when it began to smolder again. Railroad men had extinguished the second blaze when firemen arrived.

GC Adds 25 Acres, Zone Changes Ok'd; Incinerator Study is Revived

Robert D. White, Rural Route One, pleaded guilty to charges of driving without state license plates and without a driver's license Monday and was fined \$20 plus costs on each by Magistrate Matosian, who added three days in jail on the second charge. He is to work out the fines for 130 days. He was arrested at 1:30 a.m. that day at 20th street and Madison avenue.

Two ordinances calling for zoning changes from residential to commercial for the property at 2041 Johnson road and at 4508-11 Ponton road also were approved.

Able Valencia plans a building with offices for four doctors and an ice cream parlor at the Johnson road site, and Fred Bollinger plans a tavern-restaurant building on the Ponton road lots. Council members deleted the tavern-restaurant reference from the rezoning ordinance, pointing out the property is to be rezoned C-1 commercial and the exact use cannot be specified. The council authorized a recommendation by Mayor Partney that the Sanitary commission

Annexation of 25 acres east of Ponton Plaza to extend the subdivision and the city limits to the Alton & Southern Railroad track on the north side of Ponton road was approved Monday night by Granite City council members. The area is to be developed by Leo Wolf, who has announced he plans a shopping center and apartment houses.

Landfill is Temporary Partney said the city's landfill operation could only be temporary and that an incinerator would provide a permanent solution to disposal problems. The three cities are considering a professional study to determine needs and costs. Granite City's landfill, now being utilized by the other cities, is covered only by the present three-year garbage-trash collection contract with National Disposal Corp.

Proposed expansion of the Nestle Co. instant coffee plant, south of the present buildings at 21st and Adams streets was approved as the reason for a new driveway entrance along Adams street about 190 feet south of 21st street with the 21st street entrance to be closed. The new driveway was approved as new driveways for the public library building, at 2100 Cleveland blvd. and for John Ham at 2108 Elm street, who wants the drive entrance on Willow avenue at his home. He is to pay cost of closing the driveway on Elm street.

The city was advised that under the Federal Water Act it must submit regular payroll reports on its sewage treatment plant construction, since the project is being financed partially with federal tax funds. Comptroller John Doehner assigned the task of submitting the report to H. J. Schneider, the department of health, education and welfare.

Doehner and the Personnel committee were authorized to employ two persons to begin work on gathering data on households and building ownership to prepare for spending out a sewage treatment plant when the plant gets into operation in the spring.

Named Sewer Financing In other action, the council members—

Called for a report on the Nemo sanitary sewer system bid issues to determine when the revenue bonds will be paid and the \$200 monthly charge paid. The controller is to submit a report Feb. 7.

Requested the city attorney to look into data for preparation of a resolution to support Gov. Kerner's proposal to reduce bus fares for senior citizens.

Referred to the Southwest Illinois Conference of Mayors a notification from the Illinois Commerce Commission that the B&O Railroad had been given permission to discontinue the handling of intra-state, less-than-carload freight at its stations in Granite City and Madison and other locations upon serving a 15-day notice.

Placed on file a notification from the Federal Department of Housing and Urban Development that a certification of Granite City's workable program had been approved at Washington, extending the city's eligibility for government grants for urban renewal, low rent housing, lower FHA mortgage insurance and other federal benefits.

In connection with this, the mayor asked to get on all methods the city might bene-

fit from grants of federal tax of conduits for emergency generator power for the ground floor of the city hall building and for outside lights at the three entrances to the city hall.

The bids for the conduit were \$185 by Weber Electric of Belleville, \$204 by R. Droe Electric Co. and \$316 by Rite Electric Co. The bids for the outside lights ranged from \$1184 to \$1400 but were not read in detail.

A 7-10-7 Vote Referred to the City Hall committee a request from E. P. Ellberg, secretary-treasurer of the Carpenters District Council of the city area considering hiring a full-time carpenter from Local 633, Ellberg pointed out in his letter that with the growth and progress of the city facilities, the "work is, no doubt, being done by others at present."

Adopted a resolution supporting the establishment of a medical school at the new Southern Illinois University campus on Campus and calling upon the local authorities to locate a medical school on the new campus to benefit the heavily populated two-county area.

Approved a recommendation by the City Hall committee for Amco Plumbing & Heating Co. to install two lavatories in first floor rest room at a cost of \$200. The city was unable to get bids for the work, the committee authorized.

Referred to the City Hall committee three bids for installation of the new yield signs at six locations was approved in an ordinance adopted Monday night by Granite City council members.

The council also established a 30-minute parking zone on the south side of 18th street from State street west to the alley, approved a resolution for installation of 16 street lights and referred to committees requested for additional yield sign and for added lighting along Ponton road at Nemo high school.

The new yield signs are to be located on Wilson avenue at its intersections with Buena Vista and Warren avenues, on Willow at St. Clair, on Ash at St. Clair and on Clair for southwest traffic where Ponton road at Nemo high school.

A request was made for the citizens of the International Society of the Christian Endeavor, to sponsor a speaker Monday evening at 7:30 o'clock at Cedar View Baptist Church, 3700 Ruth drive, Rev. W. F. Craven, pastor, said a Christian Endeavor Rally is to be held in observance of Christian Endeavor Week, Jan. 31 to Feb. 6.

Mr. McQuilkin, who resides in Stratford, Pa., is a member of the executive committee of the International Society of the Christian Endeavor, he is also a member of the finance committee. Currently on the board of directors of the Pennsylvania Christian Endeavor Union, he is active in St. John Presbyterian Church in Devon where he is an elder.

Abandons Auto, Fined Billy Dean White, 21, of 1228 Edwardsville road, was arrested at 10:15 a.m. Tuesday on a charge of abandoning a vehicle. He was fined \$10 plus costs by Magistrate Matosian.

Meeting Set for Selection of GOP State Candidates

Randall Robertson, Granite City attorney, and William F. Hoelscher, manager of the Manufacturers' Association of the Granite City area, are among delegates attending a Republican Conference Convention in Springfield on Friday and Saturday to select and endorse candidates for three state offices open to election this year.

Robertson and Hoelscher will be among 12 Madison county delegates scheduled to attend the convention. The group will be headed by Charles W. Barnett of Alton, chairman of the Madison County Republican Central Committee. The Quad-City delegates were chosen by Roy Lynn, county vice-chairman, who said he does not plan to attend the sessions.

The state-wide meet will pick Republican candidates for U.S. Representative, state treasurer and auditor, and also for the gubernatorial election. Delegates are expected to endorse Charles H. Percy of Kenilworth, unsuccessful GOP candidate for U.S. Senator, as candidate for governor in 1964, as candidate for U.S. Senator. Percy thus far has had no opposition in his bid for the 1966 nomination in the primary election that is to be held in June this year.

Ray Page, incumbent superintendent of public instruction, is scheduled to receive the convention endorsement for re-nomination. The post of treasurer, however, will be open to selection by the delegates.

Political plans of other potential candidates also will be affected by the convention in which party leaders are expected to determine whom they will support for offices at district levels.

State Rep. Ralph Smith of Alton, formerly of Granite City, who has been mentioned frequently in GOP circles as a candidate for Congress in the new 23rd Congressional District, said that he will announce his plans after the convention sessions.

Plans are being completed for a luncheon at the Mineral Springs Hotel beginning at 7 p.m. The address is scheduled to include discussion of the Vietnamese infiltration and other current controversial topics.

School of Missions Will Close Sunday The school of missions of Neighborhood House, which is held at the center, 1200 North 13th street, East St. Louis, the theme for the evening will be "Mission In Our Midst," and the action offering received at the close of the school has been designated for the day-camping program of Neighborhood House.

Prior to the film, participants in the school will hold a fellowship supper at 6 p.m. and a study hour at 7 p.m. Classes are being taught for all ages on the general theme, "Mission: A Christian's Calling." Miss Kathy Middleton, a missionary at Neighborhood House, is one of the instructors.

In the morning worship services at 8:30 and 10:40, the Rev. R. Paul Sims will deliver the sermon on the theme, "The Satisfying Spirit." Anthems will be sung by the Youth and Chancel Choirs under the direction of Warren G. Simpkins.

Truck Strikes Auto The left rear of an auto driven by Albert M. Zimes, Augusta, Ga., was struck by a truck driven by James Patterson, East St. Louis, which was turning into Granite City Steel Co. gates at 15th street and Washington avenue at 4:30 p.m. Monday.

Red Devils Bomb Wesclin; IHSA Final, Semi-Final Games on Tv

Madison and Venice both won cage contests Tuesday night, as the Red Devils walloped the Wesclin Warriors, 99-49, and the Trojans edged Triad's Knights, 71-65.

The home court win was number 17 for Venice, while the away victory was the 11th against five setbacks for Madison.

Venice got the opening tip-off and proceeded with a scoring punch that kayaked the Warriors for two minutes. The Red Devils held an 8-0 score before Wesclin hit on a field goal. By the end of the first quarter, Venice held a 12-0 lead.

Percy Dillon and sophomore Johnny Gardner controlled the boards on both offense and defense, as the Red Devils held Wesclin to very few shots.

Play-maker Rich Essington scored 16 points while making 15 assists during the game. Dillon was top scorer for the evening with 21 points and Jerome McGilone netted 16. The four top Red Devils scorers sat out the fourth quarter as coach Bill Holdendorf played all reserves that period.

At the end of the first half, Venice was in command of the game with a 45-17 score. Highly touted Steve Stanhaus of the Warriors failed to score a point during the game. He had been the leading scorer on the Wesclin team.

The third quarter saw the Red Devils score 30 points, and the reserves netted 28 against Wesclin's 16 in the fourth period. Venice shot 52% from the field, while Wesclin failed to make 35% of their floor shots.

Dennis Cook was high scorer for Wesclin with 11 points. The game leaves the Warriors with a 3-13 season mark and a 1-7 MCM conference record.

Balanced Scoring for Madison. Meanwhile at Triad high school the Madison Trojans received scoring help from Neil Podoba and Paul Lusk. Both had been out for the major part of the season.

The Trojans played a balanced scoring game as they downed the Knights of Triad, 71-65.

The game boosted Madison's season record to 11-5, while Triad is now 9-5 overall for the year. As usual, Dale Turner led all scorers with 20 points on seven baskets and six free throws. The brother combination of Gary and Paul Lusk scored 12 and 11 points each for the Trojans. Podoba and Ron Burt each scored 8 points.

Terry Zorist and Bob Brendel led the Knights with 14 points each. Junior Larry Lewis added 11 points in Triad's losing battle. As in many of Madison's games earlier this year, the Trojans had to overcome a halftime deficit to win. Triad held a 28-22 lead as the teams entered the dressing room.

Seven Trojans scored as Madison took a four-point lead at the end of the third quarter. The Trojans scored 26 points in that third quarter and limited the Knights to only 16 points.

Turner and Podoba sparked the come-from-behind drive of Madison with eight and five points each in that quarter. Madison produced 24 points in the final period to Triad's 21, to hold the lead for the victory.

Before Jim Clark won the 1965 Indianapolis "500" in his Lotus-Ford, the only other European cars to win the "500" were a Buick in 1913, 1916 and 1919, and a Mercedes in 1915.

The semi-final and final games of the 56th annual Illinois high school basketball tournament will be telecast by 13 television stations on Saturday, March 19, at Bert Willis, executive secretary of the Illinois High School Association announced yesterday. More than 25 million viewers will see the tournament, held in the 16,000-seat Assembly Hall at the University of Illinois, Champaign.

Sportscaster Jack Drees, who has covered every IHSA tournament except one (1963), returns again this year. He will be joined by Vince Lloyd of Chicago Cubs, and Bob Starr of Peoria.

Television personality Ed McMahon of the Johnny Carson "Tonight Show" will be the program host. Semi-final games start at noon Saturday and the finals at 7 p.m. The games will be televised in the Quad-Cities area over St. Louis channel nine.

The oldest Continental road races are the French Grand Prix and Targa Florio, which both began in 1906.

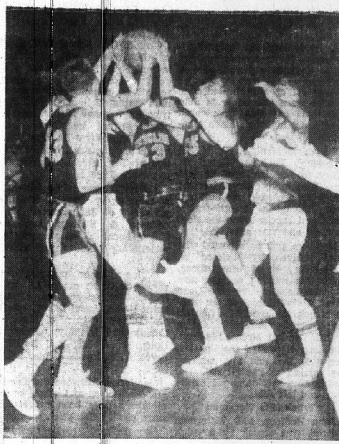

Showdowns Due in Conference Races; Turner Remains on Top

Showdowns for conference championships will apparently take place in the MCM, Midwestern and Southwestern conferences, according to the standings this week.

Bunker Hill and Venice will apparently battle it out for the MCM title, while Collinsville and Belleville will tangle for the Southwestern crown, and in the Midwestern conference, it's still anybody's race.

Dupo is on top in the MW league with a record of 6-2. Cahokia is second with a 3-4 slate, and Madison is third with a 4-2 mark.

A third loss would practically eliminate Madison. Conceivably, if the Trojans down Cahokia, they could wind up in a first-

place in 16 tilts. Venice's scoring pair of Percy Dillon and Rich Essington are fifth and sixth with near identical averages for 18 games. Dillon sports an 18.9 average with 357 points, while Essington has 356 points and a scoring mark of 19.8. Essington has been averaging 13 scoring assists per game and Dillon 18 rebounds per contest.

Dennis Cook of Dupo is seventh with an 18.5 clip. Mark Catlett of Cahokia is eighth with an 18.0 average, Tom Campbell of Highland is ninth with a 16.6 mark, and Granite City's Larry Ripka is tenth with an average of 16.3.

Oilers, Flyers Here to 'Steal' Mat Victories From 'Schmitt's Squad'

The Granite City wrestling team's schedule for Friday looks like it might have been mixed up with the baseball Cardinals agenda for a Sunday afternoon.

The Warriors have scheduled a doubleheader wrestling event with dual meet matches against Wood River (4 p.m.) and East St. Louis (7:30 p.m.).

The Oilers will bring with them a team that lacks all-around balance. They have two wrestlers that sport undefeated season records in Christ Trott (165) and Bob Pichford (154).

Both Totora and Pichford won their individual class championships in the Granite City Holiday wrestling tournament in December.

Although, Granite City handed the Royals a 33-20-31 on 13 losing in a previous meeting this season, coach Bill "Red" Schmitt expects that the Flyers will be much improved over their earlier showing.

Alfonso Taylor, third place wrestler in the 145-pound class of last year's sectionals, has rejoined the Flyer team after being ineligible the first semester. He will wrestle either in the 145-pound or the 154-pound class.

Adding strength to the East St. Louis squad will be Willie Williams, the 138-pounder, who was the Holiday tournament champ. Williams also won the trophy during that tournament for wrestling the most pins of any wrestler.

Mike Andria, the Warriors star 133-pounder, will move up a weight class and wrestle Williams. Schmitt said that it is making the move to see what Andria can do against bigger opponents.

Fuchs Leads Team. Bill Fuchs, last year's runner up in the state meet in the 95-pound class, leads the Granite City team in total team points and overall season record.

Fuchs has yet to be defeated in competition this year with a 23-0 slate, including 20 pins. He has earned 113 team points.

Team points are scored on the following basis: two for a pin and one for a decision in a tournament; five for a pin and three for a decision in a dual match; and 10 points for winning a tournament championship, seven for placing second, four for placing third and two for a fourth place finish in a tournament.

Andria is second in team points and overall record, with 85 points and a season slate of 22-1-1. Jim Valicoff has earned 81 points and a 10-1 record.

Granite City along with Madison, Alton, Collinsville, Roxana, Edwardsville, Wood River and Alton are in the Wood River sectional. At Venice, the Red Devils, Marquette and Lonsjö will play for the right to go to the Wood River sectional.

The Belleville regional will have Alton, Belleville, Cahokia, East St. Louis, Assumption, Lincoln, O'Fallon, and a team from the Waterloo district. Dupo is one of the teams in the Waterloo district.

The Litchfield district has Bethalto, Bunker Hill, Carlinville, Gillespie, Hillsboro, Litchfield, Staunton and an at-large team from the Mt. Olive district. Livingston and Warden are two of the teams in the Mt. Olive district.

The winner of the East St. Louis super-sectional will meet the winner of the Peoria super-sectional at Peoria.

New Grid Field For Salukis. Construction of a new football field at SIU in Carbondale may begin this spring, according to John Rendleman, vice-president for business affairs at the school.

Plans call for the field to be located west of the SIU campus, and if funds are released in time for a spring start, the field could be ready for use in the fall of 1967.

The proposed field will seat about 18,000 and will be an excavated bowl in design. The new field is needed because construction of a general administration building will take part of the existing McAndrew Stadium. Funds for the new field will come from SIU appropriations for general campus improvements, Rendleman said.

Braves Lead Cut To One Point Loss. Coillie's eighth grade basketball held a six-point halftime margin, but were upended by GC Central, 50-49, in a closely-contested game at Coolidge Tuesday night.

Top scorer for Central was Dennis Harris with 17 points, while Gary Johnson hit for 17 for the Braves.

In the preliminary contest, the Coolidge seventh grade coasted to a 46-26 victory over Central. Don Harris paced the Braves with 14 points, and Coillie led at halftime, 24-15.

PRESS-RECORD SPORTS

Granite City PRESS-RECORD Page 6 Thurs., Jan. 27, 1966

Records and point totals for other Warriors matmen are: Dewey Bell, 14-4; Joe Martinez, 13-2; 38; Lester Robertson, 15-5; Brian Lamew, 11-4; 46; Ray Hankins, 11-2-1; 38; Bruce Miles, 10-1-1; 33; John Brooks, 7-5; 28; Jan Giercho, 6-3; 25; Mike Middleton, 5-16; 24; and Randy Rusten, 4-2; 22.

Currently, Granite City is in the top spot in Southwestern Conference wrestling standings, while Edwardsville and East St. Louis are second and third. A loss to East St. Louis would not jeopardize the Warriors' position as the Flyers have two league defeats.

IHSA Tourney. Pairings for the sectional and quarter-final play in the 1966 Illinois state high school basketball tournament were released Wednesday.

The winners of the Belleville and Wood River regionals will meet at East St. Louis in the super-sectional round on March 18 and 19. Also scheduled for the East St. Louis super-sectional are the Litchfield and Greenville winners.

Granite City along with Madison, Alton, Collinsville, Roxana, Edwardsville, Wood River and Alton are in the Wood River sectional. At Venice, the Red Devils, Marquette and Lonsjö will play for the right to go to the Wood River sectional.

The Belleville regional will have Alton, Belleville, Cahokia, East St. Louis, Assumption, Lincoln, O'Fallon, and a team from the Waterloo district. Dupo is one of the teams in the Waterloo district.

Inter-Collegiate Sports In Near Future at SIU-SW

By MIKE GREMAUD
Press-Record Sports Editor

Collegiate sports have not had full impact upon the Quad-Cities as yet, but with the expansion of SIU-SW campus, the potential is there.

At present the college has in full swing an intramural athletic program for both men and women, since 1957-58, when SIU-SW first started operations.

The men's intramural program, directed by Gary Deal, has branched out into two phases: the regular intramural program featuring competition between classes, and the newly formed club league, which features competition between clubs and fraternities on the campus.

According to the SIU-SW campus information service, over 35% of the men at SIU-SW participate in intramural sports.

Although the percentage of women participating in intramural programs is not high, there still exists a program for the women.

The women's intramural program is sponsored by the Women's Recreation Association under the leadership of Rosemary Archangel. Most of the activities in the women's intramural department are at the Altan center, as the majority of girls participating are physical education students taking their courses in Altan.

Sports are divided into quarters, like the scheduling of classes at SIU-SW. The fall may see bowling, tennis, soccer, flag football, swimming, golf and cross country for regular intramural competition. The club league participated in bowling, soccer, flag football, tennis, archery and gymnastics.

The winter and spring quarters have their own sports schedules, while the summer quarter is less organized, due to the lack of students attending school.

New Students in 1965-66

During the present school year, many new facets in the intramural program have been established. There is a swimming program utilizing the Altan YMCA pool in the planning stage; a bowling tournament at the end of each quarter with an annual tournament between winners in the quarter's competition; fall and spring tennis tournaments; a new night basketball league; and indoor tennis during the winter quarter by special arrangement with the Army Tennis Club of St. Louis.

The "Bandit Bowl" football game, organized this past fall, determined the inter-campus flag football champions.

But the big thing in the wind at SIU-SW is the organization of the "Extramural Program." This program will match intramural or club league teams from SIU-SW against those of other colleges and universities in the midwest.

Extramural Bowling in Progress

Already an SIU-SW intramural bowling team is competing in the St. Louis Collegiate League. The team is in first place in the league. Also included in the extramural program, either at the present or in the near future, will be soccer, flag football, tennis, basketball, gymnastics and track.

According to the Information Service at SIU-SW, the extramural program is just a step towards regular inter-collegiate competition, as SIU at Carbondale knows it.

Although much is to be desired with the intramural and extramural programs, there is much to be reaped from the programs.

SIU-SW is one of the universities in the country which awards school letters for intramural competition. To qualify for a letter, it is necessary for a student to participate in at least eight sports activities during the academic career at SIU-SW.

Trophies are awarded to championship teams and members of the squads, and each awards are presented at an annual All-Sports dinner held at the end of the winter quarter in March.

Extramural competition may be face to face with the other schools in the area, or against far distant schools with each team playing on its own campus and posting their scores by mail.

Basketball is one sport which face sport, while bowling and archery are competed in using the mail system.

Major Sports in Near Future

Although the SIU-SW campus does not have major inter-collegiate athletic events, it should not be far off in the future when the idea of joining an athletic conference is tossed around.

In Wisconsin and Illinois, there is a conference made up entirely of schools such as SIU-SW—except for the major universities.

With the enthusiasm enjoyed in the extramural and intramural programs at SIU-SW, there is only one way for the athletic scene to broaden.

A good foundation has been laid, and the rest is up to the citizens of the Quad-Cities to further their university, and to the students to back SIU-SW.

COMELY COEDS participate in lively competition during a soccer match as part of SIU-SW's intramural program for women. Intramural sports are just the basis for inter-collegiate athletics to be held at the new campus in the near future.

Braves Aim for League Lead

Coledge's ninth grade basketball team will play host to Madison County Conference rival Collinsville Webster junior high tonight, and the conference's first place standing is at stake.

A Coledge win would throw the conference race into a tie with both Webster and Coledge possessing identical 6-2 records. A Webster win would lock Coledge in second place.

At present Webster is in first place with a 6-1 mark and the Coledge Braves are second with a 5-2 record.

Win-Lost Style for Sackett

New basketball coach at Granite City Ralph Sackett is following a pattern in the win-loss column during his first season as head game mentor.

During his first year at Octavia high school, his team compiled an 17-8 season mark and won the conference in action. So far this season, his Warriors have won 11, while losing 7 games.

The Warriors have seven more regular season games on the schedule, and could possibly end the year with a 24-13 mark. But, it is near impossible for Granite City to be second in the Southwestern Conference race, as the Red Devils have slumped into last place with a 10-16 record.

Optimists may look towards more profitable years, as Sackett went on to have season records of 23-2, 23-2 and 21-2.

Revenge Key to Maroon Game for GC Warriors

Granite City will try to put an end to Belleville's domination over the Warriors in Southwestern Conference and Dupo Tournament basketball when the two teams meet at Belleville Friday night at 8.

Also on the prep cage agenda, will be Madison at Jerseyville and Venice at St. Paul of Highland.

Two weeks ago, Granite City nearly upset the Maroons in the championship game of the Dupo Invitational Tournament but fell to 47-51 Belleville score.

Earlier in the season, Granite City once again nearly beat Belleville, but the Warriors lost that one, 58-51. Last year, the Maroons downed Granite City twice, 62-59 and 82-76, in two Southwestern conference clashes.

Two years ago, the Warriors dropped two league games to Belleville, but did not meet the Maroons in the Dupo tournament.

Each year Granite City seems to close the gap, and this week's game appears to be the makings of a really close contest.

The Warriors led the whole game until late in the fourth quarter against Belleville in the Dupo classic this year. Foul trouble spelled Granite City's loss.

The game may also shape up to be a battle of each team's coach, with Granite's Ralph Sackett facing Belleville's Jerry Turner for the third time. Turner has kayoved Sackett twice in Sackett's first year as Warrior coach.

The championship game in the Dupo Tourney proved to be a battle of the wits with Sackett playing a slow-down game and Turner trying to get possession of the ball to score and win.

Both contests this year have shaped up as rough and rugged games, with each team committing numerous personal fouls.

Belleville's scoring punch of Bill Snellings and Joe Wiley will lead the Maroons, while Granite City will court a more balanced offensive punch led by Larry Ripka.

Madison plays a non-conference game at Jerseyville, and it may prove to be a warm-up before the Trojans enter the final round of games on their Midwest Conference agenda.

Lusk, Podoba Back

Paul Lusk has rejoined the Trojans and played briefly in the Edwardsville game last Friday.

Also back with Madison is Neil Podoba, who had suffered a fracture of the elbow. He also saw limited action last Friday night.

The brunt of Madison's game lies on the shoulders of Dale Turner, who is currently leading the area's cagers in scoring.

Paul Lusk will add more threat in scoring.

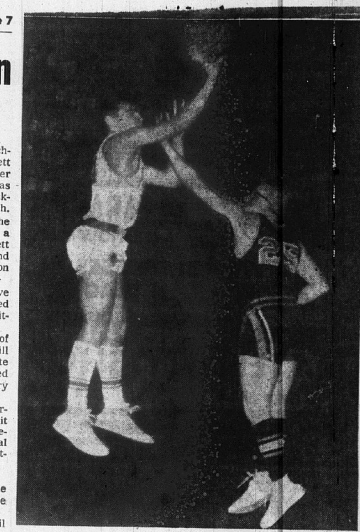

Meanwhile, Venice goes after St. Paul of Highland in an effort to catch the Minutemen of Bunker Hill for the MCM conference title.

The Red Devils had little trouble from St. Paul in a previous contest this season, downing them 83-62.

Newfound scoring ace, Johnny Gardner, will take some of the pressure off of Venice's potent duo of Rich Essington and Percy Dillon.

With Gardner, Venice will draw some of their opponent's defense away from Dillon and Essington, and therefore pose a more balanced scoring attack.

In the past several games, the Red Devils have slumped into last place during the play, but have snapped back.

A HAND IN THE FACE failed to stop Venice's Rich Essington from getting a jump shot off against Wesclin. The Warriors' Mike Clark (25) attempts to block the Red Devil's vision in an M.C.M. conference game at Venice Tuesday night.

Venice in First Place Deadline

Venice's Red Devils, by virtue of their win over Wesclin, have gained a first place MCM conference tie with Bunker Hill.

The Minutemen had jumped out in front with a 7-1 league record, while Venice had to catch up with four successive conference victories.

Now both teams are tied with 7-1 marks, and an apparent showdown for the league's crown will take place at Venice on Friday, Feb. 4, as the two teams will meet on the court.

Faculty Downs All-Star Cagers

The Prather faculty scored a 69-57 upset victory over the Kook All-Stars in an exhibition game at Prather last night.

Bob Miller, a coach at the junior high, led the faculty with 38 points, on 12 field goals and 15 free throws. Bob Stegmeyer added eight points for the faculty.

Keith Morris and Richard Ward fatherly led the All-Stars with 17 and 16 points. Ed Moore chipped in 12 points.

The game was sponsored by the Prather junior high letterman's club. The faculty is 1-0 and the All-Stars are 3-31 on the season.

Little League Wants in Park District's Care

The Granite City park board is considering a request from the Nameoki Little League asking for admission into the park district's baseball program. It was disclosed following the board's monthly meeting last night.

No reason was given for the little league's wanting into the park district program, but the commissioners did vote that if the league was accepted, the rules of the park district would prevail.

The letter was turned over to the recreation department and Supt. Harold Brown for study.

City Seeks to Condemn 7 Additional Buildings

Resolutions calling for condemnation of seven structures in the city were approved Monday night by Granite City council members, who also accepted a low bid of \$3900 for razing four other structures that already had been condemned.

The city has a list of over 100 buildings to be razed, and the demolition was started several weeks ago with award of a contract for destruction of vacant houses in the 2100 block of Benton street and on Twelfth street. Condemnation now is being sought for 4136 Rode avenue, 1734 Cleveland blvd., 2545 Lincoln avenue, 2905 Edwardsville road,

726 Twenty-eighth place, 730 Twenty-sixth place and 2135 Fourteenth street. The structures have been declared unsafe and unsanitary and dangerous to persons who might enter them, along with being fire hazards.

The resolutions point out that no attempts have been made to correct defects and that unless the structures are restored to a safe condition by the owners, they should be condemned. Inspections of the properties were made by the building inspector, city inspector and fire chief.

General Contracting Co., was awarded a contract on its low bid

of \$3900 to demolish two four-family brick flats at 2140-42 and 2144-46 Washington avenue and structures at 2727 Myrtle avenue and 2227 Grand avenue. A request also was made to instruct the state highway department to demolish about five houses along West 20th street where Federal Aid Route 151 is to go through the city. Fifth Ward Alderman Noon said the vacant properties are creating hazardous conditions and are unsightly.

Record 195 Licenses Issued During 1965

A record number of 195 licenses were issued for motels and amusement devices in Madison county during 1965, records at the county seat show. The total amount of revenue for the county was \$4875. The record number is 24 more than issued in 1964.

By comparison, the number of licenses issued during the past seven years were 97 in 1959; 116 in 1960; 91 in 1961; 81 in 1962; 127 in 1963 and 171 in 1964.

So far 76 licenses have been issued during 1966, with fees totaling \$1900.

Rotary Club to Buy Lunches for 5 Pupils

Hot school lunches for five grade school students will be provided by the members of the Granite City Rotary Club, it was decided at the club's luncheon meeting at the YMCA Tuesday. Funds contributed by the members will be turned over to the school district to provide the children with hot lunches. The children were selected by school and welfare agency officials.

Announcement was made of a Valentine's Day party Feb. 12 for members to be held at the Lewis and Clark restaurant. Guest speaker was George Kernek, the new first baseman for the St. Louis Cardinals baseball team. He was introduced by Edwin Schmitt, program chairman.

Kernek spoke briefly on the plans in store for the Cardinals for the 1966 season. He said that speed and youth were the keys to what is hoped to be a successful season for the Redbirds.

125 Attend Alton Presbytery Meet at GC Church Tuesday

The Alton Presbytery of the United Presbyterian Church, which includes a ten-county area, met in all-day session Tuesday at First United Presbyterian Church here.

Ministers and elders numbering 125 were present, and H. D. Karandjeff served as opening moderator. Rev. Dr. Joseph D. Dana, professor of religion, Blackburn College, Carlinville, was elected as moderator, and Rev. Dr. John DiGiacomo, pastor of the Mitchell Presbyterian Church, was named vice-moderator. Other officers also were elected.

The group adopted resolutions calling upon authorities of Madison and St. Clair counties to curb any gambling or vice operations, and to call upon other church groups to support the action.

Kenneth MacClatchey was organizer for the worship service; and Rev. Dr. David B. Maxton, host pastor, gave the call to worship and Adoration.

Rev. Dr. A. Ralph Lynn of Alton, a former pastor of the local church, and Dr. Maxton, with the assistance of the local elders, officiated in the Sacrament of the Lord's Supper, following the Psalter reading by H. D. Karandjeff, and the Scripture and sermon delivered by Rev. Kenneth Lacy of Brighton. The topic was "Heirs of All Things."

Luncheon was served by the United Presbyterian Women and the meeting reconvened for the afternoon session which was devoted to business, elections and ministerial reports of all temporary committees.

State High Court Denies Rehearing In Jr. HS Case

The Illinois Supreme Court Monday afternoon denied a petition for rehearing in the Coolidge junior high school land purchase case in which it ruled Nov. 19 in favor of the Granite City school district. The November ruling upheld the school district's purchase of land for the junior high school in 1953 at a price of \$58,893.

The Supreme Court's November ruling reversed the Madison county Circuit Court and a 1964 ruling of the Appellate Court in favor of Harold W. Kronsheim of Granite City, who filed suit in 1960 to vacate the court judgment in a condemnation proceeding for use of the Coolidge school site by the school district. An appeal to the U. S. Supreme Court is Kronsheim's only remaining course of action in the case. He has six months in which to make such an appeal. The state Supreme Court held that a notice of the land acquisition, legality of which had been challenged by Kronsheim, was sufficient in that it stated that Kronsheim, in Chicago at the time, "cannot be found."

W. T. Grant Honored In Hiring Handicapped

Employment of trained mentally retarded persons and its efforts to encourage similar action by other employers recently won recognition for W. T. Grant Co. at the 55th annual National Retail Merchants Association convention held in New York, it was announced today by Melvin T. Gillie, manager of the Naperville Village shopping center store. Gillie added that in line with company policy, the local store employs two young handicapped persons, both of whom are doing an excellent job in working with others, as well as in their general duties. He quoted Louis C. Lusterberger, president of the W. T. Grant 110-store company, who stated in accepting the award, "employment of the trained mentally retarded is good business and we will be happy to share our experience with others who desire to investigate this almost untapped source of dependable man-and-woman power."

The firm was one of four American retailers honored by the NRMA and the Reader's Digest for outstanding acts of community service. Last October, W. T. Grant Co. received the first annual "Employer of the Year" award from the National Association for Retarded Children.

Stolen Golf Clubs Not Stolen, Police Told

The reported theft of set of golf clubs and golf bag from Robert Dubnick, a teacher at Venice public school, turned out not to be a theft at all, according to Venice police this week. Dubnick reported early last week to Venice police that he had been practicing with his clubs on the school athletic field, and had gone into the school gymnasium, leaving the clubs and bag on the field. When he returned, Dubnick said, the clubs and bag were missing. Several youths were questioned in connection with the missing articles.

Ivor Cowley, 630 Lincoln street, Venice, called authorities this week to report that he had Dubnick's clubs. He said he had gone to the athletic field to practice with his clubs, and found the bag and clubs lying on the athletic field. He said when he left no one had returned for them, so he took them home to see if he could locate the owner. Cowley said he read an item in the Press-Record about Dubnick's report on the theft of the clubs. Police picked up the clubs and bag at Cowley's home, but were unable to locate Dubnick immediately. He was reported out of the city.

Auxiliary is Told of Need For Nurses at Hospital

SOCIETY

MRS. DAWES ATTENDING HOMEOWNERS MEETING
Mrs. Emerald Dawes will serve as a delegate from the Madison County Homemakers Extension Association at the annual meeting of Illinois Homemakers Extension Federation in Urbana today and tomorrow.

The meeting will take place on the University of Illinois campus, opening with the annual business session in the university auditorium.

Awards will be given for 10% net gain in membership and for 90% maintenance of membership. Madison county currently has a membership of 1044 and ranks among the ten top counties in the state for membership.

The January meeting of St. Elizabeth Hospital Auxiliary will be held Monday evening in the library room with 40 members in attendance.

Mrs. Irene Argelan, president, introduced Sister Mary Thomas, hospital administrator, who told of the 160,000 cases handled in the emergency room last year and stressed the need for more practical nurses. The training requires four months at the Olin School in Alton, and the last eight months at the local hospital. The next interviews are scheduled for May.

Dr. L. E. Ferris, pathologist, assisted by Sister Mary George, demonstrated the new auto-analyzer, which the Auxiliary assisted in purchasing. Other pieces of equipment purchased with the help of the Auxiliary included a vacuum cleaner at a cost of \$2495; stretchers, \$1351; operating room tables, \$3033; obstetrics tables, \$4160; auto analyzer, \$7900; microtherm, \$644; emergency cart, \$210; and nine scooters for use in the halls.

Three new members enrolled were Mrs. Gertrude Boskey, Mrs. Jackie Gattung and Mrs. Naomi Terrell. Plans were made for the annual volunteers tea at which the pink ladies and candy strippers are honored and awards are presented for hours worked. Mrs. Mary Maylath was appointed chairman and will be assisted by Mrs. Martha Page.

Serving on committees for the coming year will be the following with the first names as chairman: membership, Mrs. Helen Mueller, Mrs. Anna Michels and Mrs. Byrl Rody; program, Miss Ronella Kinney, and Mrs. Grace Henrich; ways and means, Miss Marie Zimmer; hospitality, Mrs. Helen Bergfeld and Mrs. Marie Hampton; refreshments, Mrs. Frances Gruber, Mrs. Cecelia Loyt and Mrs. Page; scheduling of coffee shop work, Mrs. Louise Thebeau; buyers for gift shop, Mrs. Vera Carey and Mrs. Catherine Pisci; publicity, Mrs. Mabel Gaston.

After the meeting refreshments were served in the coffee shop. The evening's prize went to Mrs. Maylath.

DAVID GENE PRICE CELEBRATES BIRTHDAY
David Gene Price, four-year-old son of Mr. and Mrs. Ralph Price, 2433 Center street, celebrated his birthday this week at a party given by his parents.

The children present were Ricky, Pamela and Debbie Doty, David Fleenor, Kevin Knowland, Sheryl Hook and the guest of honor. Refreshments were served and there were prizes for the guests.

RECENT BRIDE, Mrs. James A. Scherrills, the former Patricia Ann Stimac, a daughter of Mr. and Mrs. Rudolph Stimac, 1230 Grand avenue, who was married Saturday at St. Mary's Roman Catholic Church in Madison.

Golden Age Club Has Guests

Sixty-five members and several guests were present at a pot luck luncheon and meeting of Kirkpatrick Homes Golden Age Club Tuesday in the recreation hall.

Special guests were Rev. Richmond Hilton, chaplain at the Granite City Army Depot, and Mrs. Hilton, Lloyd "Curly" Harris, state representative; Mrs. Annabelle Schorff; Mrs. Catherine Sokora and Mrs. Scott Thompson. Welcomed back was Joseph Robbers, who was a patient at the Madison County Sanatorium in Edwardsville for several months.

Plans were made for the next business meeting Feb. 8 at 2 p.m. and a noon luncheon Feb. 22. A guest at the latter meeting will be Rev. Gerald McCaughey, assistant pastor at St. Margaret Mary Catholic Church.

ENGAGED, Miss Carol Marlene Eli, whose parents, Mr. and Mrs. Alphonse Eli of St. Peters, Mo., are announcing her betrothal to Robert Simpson, 1921 St. Clair avenue, a son of Mr. and Mrs. Arthur Simpson of Collinsville.

Mrs. Briggs is Hostess for WSCS

The Women's Society of Christian Service of Niedringhaus Memorial Methodist church held an executive meeting Tuesday evening in the home of the president, Mrs. Harold Briggs, on Wilshire drive.

Announcement was made of a meeting of the Quad-City Council of Church Women to be held at St. Peter United Church of Christ at 1 p.m. Monday, and Mrs. Virgil Mobley and Mrs. Waldo Frohardt were appointed to represent the group.

Also announced was a series of weekly meetings to be conducted on Wednesday evenings beginning Feb. 23, when a study of the Book of Acts will be conducted by the pastor, Rev. R. Paul Sims.

Sixteen were present at Tuesday's meeting.

PEO Chapter HT Aiding Students

A luncheon meeting of Chapter HT of P.E.O. was held Monday in the home of Mrs. Irvin Rode-meyer, 2519 Edison avenue, with "Pattern For Elasticity" as the topic.

The program was given by Mrs. M. E. Wilson on "International Peace Scholarships." The scholarships are awarded to deserving students who require financial assistance in obtaining college degrees.

Announcement was made of a musical which Miss Ruth Maxton, daughter of Dr. and Mrs. David B. Maxton, is directing this week at Cottey College, one of the colleges maintained by P.E.O. chapters. This is one of many projects being arranged by the college students to assist those in need of the scholarships.

Venice Crippled Children's Ball Saturday

March of Dimes leaders in the Quad-Cities are urging all-out support for the 1966 fund-raising campaign, which will be climaxed this weekend in Venice with the annual ball and in the remaining areas on Monday evening when "Mothers' Marches" are scheduled.

A large number of Venice residents, along with many other patrons from surrounding communities, are expected to attend the annual "Crippled Children's Ball" at 8:30 p.m. Saturday in the Venice-Madison American Legion Dugout, 704 Broadway.

Advance ticket sales have been handled by members of the Venice Crippled Children's Association. Milton Morris is Venice March of Dimes and ball chairman.

He said it is hoped the number of persons attending will be increased by those planning to purchase the \$6-cent tickets at the door. The dance is open to the public, and an orchestra will play for dancing.

Door-to-door "Mothers' Marches" will be held Monday evening in Madison, Granite City, Pontoon Beach and Stalling, with more than 100 women having been recruited to solicit contributions from their neighbors.

Homeowners are being requested to turn on their front porch lights, starting at 6 p.m. Monday, to aid the volunteer workers.

Heading the Mothers' March in Madison are Mrs. Charles V. Joshi and Mrs. Leonard A. Hylla, who will be assisted by members of the Madison Junior Service Club.

Mrs. Lloyd C. Harris and Mrs. Weldon C. Burch are coordinating the march in the remaining areas, aided by volunteers from many local organizations.

Teenagers Assist
Younger elements of the community also are contributing their time and talents to the 1966 March of Dimes campaign, which provides assistance to youngsters with congenital birth defects and to prevent polio through the free Sabin oral vaccine program. A portion of the money will further research work at the birth defects center at St. Louis Children's Hospital and help young people to continue their studies in the field of health education.

Earlier this week, Junior Leadership Girls of Granite City high school sought donations from passers-by at the two suburban

PERSONAL CONTRIBUTION is solicited from Mayor Donald Partney by Daniel Linder, Granite City March of Dimes chairman. Other Quad-Cityans will be paid similar calls by volunteer workers on Monday evening, during the annual "Mothers' March on Polio."

shopping centers and during a variety basketball contest. The TAP workers last year resulted in \$241 being added to the March of Dimes drive.

Royal candidates nominated by each class, include Barbara Manier and Charles Smith, seniors; Pat Sisson and Robert McIntosh, juniors; Judy Austin and Tam McIntosh, sophomores; and Margie McGarrahan and Robert Foley, freshmen. The retiring monarchs are Glenda Brown and Russell Turner.

Rail Assessments Cut Again by \$1 1/2 Million

The Illinois Department of Revenue has cut an additional \$1 1/2 million from the assessment of 14 railroads operating in Madison county.

The assessment for 1965, received this week at the office of Miss Editha Holt, county clerk, is \$17,659,597, compared to \$19,277,220 for the previous year. Railroad assessments have decreased steadily for the past 10 years, it was noted, and now are less than half of the 1954 amount. The 1965 assessment figure was \$21,624,850, and that of 1954 was \$41,154,603.

Most railroad property is assessed by the states rather than by township assessors. The railroad assessment is distributed to townships and taxing districts according to the mileage of the railroad in the individual district.

Youth Fined \$65, Costs

Dennis L. Coleman, 17, of 3219 Westchester drive, was fined \$50 and costs on a charge of illegal possession of liquor and \$15 and costs for intoxication. His hearing was before Magistrate Matosian on Monday.

Roger Burns Draws 198-Year Sentence

Roger Allan Burns, 23, a former airman, pleaded guilty in circuit court at Belleville Monday to the mutilation murder of Miss Rosann Curran, 24, and was sentenced to 198 years imprisonment by Circuit Judge Harold O. Farmer. He was removed to Menard Penitentiary a few hours later.

Miss Curran, who was kidnapped at gunpoint by Burns from a self-service laundry in Belleville last April and slain in Burns house trailer near Swansea, was a niece of Mrs. Davis Nagy, 2400 (r) Benton street. On the prosecuting staff was St. Clair County Assistant State's Atty. James Bandy of Belleville, a former Granite Cityan.

Burns, who was scheduled to go on trial Monday, reversed his not guilty plea and informed the court he wished to plead guilty. During a mitigation hearing, he related that Miss Curran was shot through the heart during a struggle in his trailer and that he took the body to a wooded area several miles east of Belleville and left it, returning the next night when he cut off her clothing and mutilated the body.

He testified to uncontrollable urges to torture women. Judge Farmer recommended a psychiatric examination at Menard penitentiary.

1965 Report

Marriages in County Up; Births; Deaths Decrease

Marriages performed in Madison county increased in 1965, while births and deaths decreased during the same period, according to the year-end report released this week by Miss Eula Holt, Madison county clerk.

County statistics also list the birth of 23 sets of twins in 1965, as opposed to 29 pairs in 1964, plus one set of triplets. There were 403 infants born in the past year, including 207 boys and 196 girls. Births in the preceding year totaled 4185.

Local parents of twins include Mr. and Mrs. Eli Hook Jr., 2468 Central street; Mr. and Mrs. Lyle L. Howell, 2444 Adams street; Mr. and Mrs. William A. Long, Jr., 28 Moorland drive; Mr. and Mrs. John E. Meza sr., 2404 Glen place; and Mr. and Mrs. David Vaughn Townsend, 2617 Cayuga street.

The month of June once again proved the favorite of brides with 291 weddings taking place. The number of marriages performed in 1965 was 2373, totaling 119 more than the previous year. Alton had the highest total with 732 ceremonies performed, while Granite City was second with 585. Madison registered 56 and Venice 19.

Ministers and priests officiated at 1965 ceremonies; circuit court magistrates, 383; circuit judges, 15, and Salvation Army officers and service chaplains performed five each.

Deaths recorded totaled 1884, numbering 74 less than in 1964. The largest quotient occurred in March with 179 deaths, while 201 were recorded during August in the previous 12-month period.

Bids Sought for Work At Housing Projects

The Madison County Housing Authority this week has called for bids for exterior improvement projects at the Garesche Homes, Madison, and the Viola Jones Homes, Venice, and a modernization project at the Northgate Homes, Collinsville. Bids are to be submitted prior to 2 p.m. Feb. 18, at the Housing Authority office, Market and Washington streets, Madison, according to D.F. Bruner, MCHA executive director.

Improvements at the two local projects include blacktop surfacing; installation of protected metal screens and chain link fencing; and grading and planting of lawns. The Collinsville program is for resilient floor tile and related work.

Venice Lions Discuss Yule Lighting Contest

Sixteen members of the Venice Lions' Club were present at the dinner meeting held Monday evening at the Elks Club with James Miller, president, in charge.

The group discussed awarding prizes for the best decorated

homes in Venice during the next Christmas season. Tentative plans were made to entertain the Venice high school basketball team in February.

A report was given on ladies night held Jan. 22 at Augustines in Belleville with an attendance of 75 persons, and a discussion was held on making reservations for the Huckleberry Finn for a pleasure cruise on the Mississippi river on June 18.

Following the business session Milton Morris, Venice chairman for the "March of Dimes" showed a film and gave a talk on the National Foundation. He stressed the need for an evaluation clinic and the possibility of establishing one in Granite City. Everyone was reminded of the 28th annual Crippled Children's Ball to be held Saturday at the

Cast Selected for 'H.M.S. Pinafore' At Granite High

The Granite City high school vocal music department has announced the cast for the comedy opera "H.M.S. Pinafore" by Gilbert and Sullivan to be presented at 8 p.m. March 10-11 in the school auditorium.

The musical will be presented by the advanced mixed chorus of 75 members directed by Warren G. Simpkins. Richard King is in charge of drama and Eugene Alassi of stage sets. Piano accompanists will be Janice Veizer and Kathy McCalla.

Principals in the cast are Larry Harris, Sir Joseph Porter, K.C.B., First Lord of the Admiralty; Dewayne Bridges, Capt. Corcoran, commander of the Pinafore; Stan Hoffman, Ralph Rackstraw, able seaman; Les Hall, Dick Deadeye, able seaman.

Mike Farrell, Bill Bobstay, Postswain's mate; Dennis Thurston, Bob Becker, carpenter's mate; Jo Ann Crews and Marsha Galloway, Josephine, captain's daughter; Jeneal Myers and Sharon Koch, Cousin Hebe, Sir Joseph's first cousin; and Phyllis Bell and Mary Tapp, Little Buttercup, a Portsmouth Bunboat woman.

The chorus will consist of the First Lord's sisters, cousins, aunts, sailors and marines. Tickets for the two performances will be on sale soon.

CYC Changes Name to Catholic Young Adults

A change in the name of Catholic Youth Council to Catholic Young Adults was made at a diocesan meeting this week at the Sunset Hill Holiday Inn, attended by the Madison and Venice units.

The Madison council announced plans for an orchestra dance from 8 p.m. to midnight at the Polish hall. The Tune Twisters will play, and the public is invited.

Attending the diocesan meeting from St. Mary's parish were Marylou Mehelec, Judy Kulaska, Judy Kraus, Marcelle Berg, John Schwab, Frances Stearnman and Joe Burnestor, and from St. Mark's parish, Nay Shambo, Marcell Foley and Nancy Scaturro.

Walter K. Thorisell, coordinator of the two-year mortuary science program at Southern Illinois University's Vocational Technical Institute, is national president of the University Mortuary Science Education Association.

TRAVELING BY AIR? CALL HOLIDAY SERVICE, GL 2-3131

Criminal offense cases totaling 325 were handled by the Madison police department during 1965, an increase of 105 over the previous year, according to an annual report prepared by Police Chief Emmert Pasha.

No murders, manslaughters, rapes or attempted rapes were reported during the year. Of the total, 152 of the offenses were cleared and 58 juveniles under the age of 18 were involved.

There were 100 assault cases, Breakdown of cases

There were 100 assault cases, with 81 cleared, compared to 51 cases with 44 cleared in 1964. Other crimes included six armed robberies with two cleared, down one; one strong-armed robbery, unreported; 48 burglaries with 12 cleared, compared to 55 with 13 cleared in 1964; 19 theft cases of \$50 or more with three cleared, compared to 16 and three the previous year; 139 theft cases of \$50 or less, with 46 cleared, compared to 74 and 23 a year earlier; and 13 auto theft cases with eight cleared, compared to 15 and five.

The report showed that 1140 persons were booked, compared to 962 the previous year, including 451 uniform traffic tickets, an increase of 119.

No Traffic Fatalities

The department referred 65 juvenile violators to the youth officer, up 24. There were 391 traffic accidents in the city with

80 injuries and no fatalities. In 1964 there were 365 accidents with 60 injuries and two fatalities. The humane officer handled 455 dogs, up 29, none of which were rabid. Thirty-five persons were bitten by dogs and one by a rabbit. The previous year showed 33 dog bite cases.

\$22,005 MFT for GC

The city's motor fuel tax allotment for December totaled \$22,005. It was reported to the city council Monday night by the state department of revenue.

Sign-Up Starts Monday For Crop Adjustments

Madison county farmers may sign-up starting Monday for the new cropland adjustment program at the ASCS office in Edwardsville. The voluntary program will help keep the annual production of feed grain and wheat within reasonable limits, an ASCS spokesman said.

Payments to farmers will be based on the farm yield of crops being diverted, with corn and wheat acreage expected to earn the highest rates in Madison county. Payment rates and other details relating to individual farms will be explained to those inquiring at the ASCS office. Agreements will be authorized for five through ten-year periods.

TOP QUALITY COMES FIRST at Tri-City Grocery Co.

Our buyers are constantly cutting cans and sampling new arrivals of fruits and vegetables (shown in photo, l. to r. Roger Storm, Richard Roderick and Ronald Aldridge). Here, our buyers are comparing our own C. W. label foods with nationally advertised brands like Del Monte and Hunt. Here they are checking sieve sizes, quality and flavor and appearance using finest testing instruments, plus their own expert judgment. Often our buyers have rejected carloads when it was felt that the foods did not meet with specifications of their orders. We are proud that we stock the widest variety of canned fruits and vegetables in this area, top-quality brands at lowest everyday prices.

Jayceettes Plan Trip, Party

Plans for a trip to a St. Louis fashion show next month and a hobo party in March were completed Tuesday evening by the Granite City Jayceettes, who were entertained in the home of Mrs. Betty Young, 2913 Fortune drive. Thirteen were present including one guest, Mrs. Jane Schwartz.

Honored with a farewell gift was Mrs. Nancy Hoehn, whose husband, Donald, an employee of Woolworth Co., is being transferred to Robinson, Ill., where he will manage a new store.

Mrs. Betty Lake, Jayceettes president, conducted the business portion of the meeting and appointed Mrs. Sandra Peterson as arrangement chairman for the hobo party on March 5.

Fraudnorf's Political Future Dead: Maeras

The political future of County Sheriff Barney Fraudnorf "is a dead end at a door nail," according to Mayor Stephen Maeras of Madison, a leader in Madison county Democratic circles.

The mayor made the comment at a meeting of the Southwestern Illinois Council of Mayors Wednesday night in Madison.

He credited Fraudnorf as being a highly qualified police officer and sheriff but said he had become antagonistic to his previous supporters.

Fraudnorf was elected with the endorsement of the Venice township political machine four years ago. Similar comments have been made in the past by members of the county board of supervisors who have given a "dead end" to requests for improvements made by the sheriff.

Council of Mayors Stresses Support For Medical School

The Southwestern Illinois Council of Mayors adopted a resolution supporting the proposed medical school for the Southern Illinois University-Southwestern campus during a

dinner-meeting last night in the Madison Firemen's hall.

The resolution stated that the medical school would enhance the university and this area and draw it to the attention of the nation.

Another resolution adopted supports the move to convert 16 acres of the East St. Louis railroad "ramp" front as the home of the Museum of Transport. The motion for the resolution was made by Mayor Donald Partney of Granite City.

A talk reviewing efforts to

promote tourism in the region was presented by Dale Henry of Carlyle, treasurer of the regional tourism council. He substituted for Eldon Hazlett, council president, who was unable to make a scheduled appearance because of illness.

Henry urged continued financial support by individual communities in the region in the promotion of tourism as they could benefit from promotional funds available from the state on a matching basis.

He said new brochures being

printed will feature Granite City, Collinsville, East St. Louis and Carlyle.

Henry also suggested that police departments issue courtesy traffic tickets on violations by tourists from out of state so that "we don't make it too difficult to become a tourist in the state of Illinois."

Eugene Conrad of Belleville, public relations agent for the tourism council, showed a display which was on hand at the New York World's Fair and which is available at Disneyland.

Granite City PRESS-RECORD

Thurs., Jan. 27, 1966 Page 23

He said it attracted 25,000 requests for information from visitors at the fair.

Hosts for the event were Mayors Stephen Maeras of Madison and Dr. John E. Lee of Venice. A turnout of about 100 was described as one of the largest in the history of the mayors' council.

people to be indifferent. Rutledge said he believed there would be less traffic with the new system.

Paulos, another Third Ward alderman, who lives on Benton street, said in his door-to-door visits he found people were interested.

Robertson, a Seventh Ward alderman, and another Benton street resident, suggested the traffic expert study needs further expansion of the one-way system east of Madison avenue and in the East Granite area.

Voicing for the one-way system on first reading were Aldermen Rutledge, Whitmer, Johnson, Dill, Moellien, Stierberg, Thompson, Fry and Parmley. Opposed were Nann, Bartolick, Boyd, Paulos, Green and Robertson.

Another try by Alderman Stierberg to call upon the Traffic Study commission to determine the city's need for school crossing guards and to determine if electric traffic signals should be installed at major school crossings was voted down. Action on the proposal last week was deferred.

Voicing against it Monday night were Aldermen Nann, Bartolick, Johnson, Boyd, Dillias, Parmley, Robertson, Paulos and Green. Supporting it were Aldermen Rutledge, Whitmer, Moellien, Stierberg, Thompson and Fry.

Mrs. Gavin Will Represent GCAARC In Paris, France

Mrs. Evelyn Gavin, president of the Granite City Association for Aid to Retarded Children, will leave for Europe March 19 to participate in convention activities of the International Association of Retarded Children's Organization, to be held in Paris, France.

The GCAARC official announced her forthcoming trip Monday evening during the local group's meeting at St. John United Church of Christ. Mrs. Gavin reported that she also plans to visit schools for the handicapped in Holland and London, England, before returning home later the same month. In other business, Mrs. Mary Lou Neuman was appointed chairman of the 1966 summer day school camp, to be held in Wilson Park. Named to assist her in the annual project were Mrs. Virginia Tondore and Miss Patti Tondore.

Benefit Style Show
Mrs. Gavin announced that proceeds will be donated to the GCAARC unit from the annual "Spring Fashion and Hair Styling Show" to be sponsored by the Elite Hairdressers' Association, Affiliate 33. The show, which last year attracted nearly 1000 persons, will be held at 2 p.m. Sunday, Feb. 20, in the Venice-Madison American Legion Drug-out, 704 Broadway, Venice.

Plans were made to purchase an educational film, entitled "Selling A Guy Named Larry." Produced by the National Retarded Children's Association for the purpose of selling employers on the benefits of hiring the handicapped, the movie will be shown at the Feb. 28 meeting. It also will be made available for viewing by local businessmen and service organizations, Mrs. Gavin said.

Progress of the GCAARC-sponsored Cub Pack and Boy Scout troop was reviewed by Cubmaster Albert Beedle and Scoutmaster Frank Kraus. Mrs. Emma Reiske was in charge of a social hour and served refreshments to 21 members.

Resolutions Slated At BSA Meeting

The 45th annual meeting of the Cahokia Mounds Boy Scouts Council will be held tonight at Collinsville North junior high school at 8:30. On the evening's agenda will be a presentation of resolutions for 1966, including resolutions calling for the repealing of by-laws. The annual report and elections of officers are also scheduled. Recognition will be given to units who have achieved the national breakthrough for youth rating for 1965.

34 Quad-City Youths To be Drafted Tomorrow

Thirty-four Quad-City men are scheduled for induction Friday in the first of a series of stepped-up induction dates in which draft and pre-draft physical exam quotas have been increased throughout the county. In addition, 100 Quad-City men are to receive physical examinations Friday. The draft call is subject to change at any time, however, due to enlistments. During February, 60 Quad-City men are to be inducted on the basis of present quota calls.

Two Residences Sold; Another Is Leased

Mr. and Mrs. Walter Shuron of Westerville, Ohio, have purchased, through Royce Realty Co., the residence of Dr. and Mrs. E. Gale Jones, 2555 Cleveland blvd., it was reported today. Mr. Shuron is a new executive at the local Nestle Co., Inc.

Dr. Jones recently bought the large home of Mr. and Mrs. C. E. Townsend, 26 Oaklawn drive. Morris Realty Co. handled the transaction.

Townsend, editor and publisher of the Press-Record, and his wife have signed a long-term lease on a smaller residence in Dream Villa, new subdivision of Henry Ross, local contractor, and will move into 2382 O'Hare street the first of the month. The lease was arranged by Ernest Schellenger of Home Realty Co.

Secretary Wirtz to Speak For Sen. Douglas Tonight
The Hon. W. Willard Wirtz, Secretary of Labor, will be among those honoring U. S. Senator Paul Douglas of Illinois at a \$50-a-plate testimonial dinner to be held at 6:30 this evening at Augustine's restaurant, Belleville. About 200 Quad-Cityans are expected to be among the 1700 planning to attend.

Sen. Douglas recently announced his candidacy for his fourth consecutive term of office. Secretary Wirtz will remain in Belleville overnight to confer with area labor leaders tomorrow morning.

\$20,000 Suit Filed Over Dow Co. Accident

A \$20,000 suit has been filed for Thomas Bailey against the Dow Chemical Co. in circuit court at Edwardsville. The complaint alleges that last Oct. 12 Bailey was employed by the Bellmore Moving & Storage Co. of Granite City and was sent to the firm's Madison plant to move a heavy hydraulic press and griddle forming dies, and in attempting to do so, he was seriously injured. He charged the company was negligent in failing to provide adequate mechanical devices to move the equipment.

Youth Focus

Tri-Hi-Y Clubs Adopting Overseas Foster Child

Three Tri-Hi-Y clubs of the parentless child for one year. Other clubs are urged to continue the project.

The photograph and case history of the orphan is being obtained from the Foster Parents Plan, an agency registered with the Advisory Committee on Voluntary Foreign Aid of the Agency for International Development.

The clubs will correspond with the child regularly and also will have the opportunity to send packages, Brossman said. Besides providing care for the foster child, the program will afford understanding, warm friendship and satisfaction of concern between the clubs and the needy boy or girl overseas, he added.

Extramural Classes Set in Area Schools

Advance enrollment materials are being distributed for 59 University of Illinois spring semester extramural classes in 22 communities.

For the second successive semester, advance enrollment is being required of students entering selected classes intended primarily for present or prospective teachers, but open to other qualified applicants. In most cases, registrations will be accepted in the order they are received. In others, preference will be given to candidates for the master's degree or the advanced certificate in education at the U. of I.

Advance enrollment information and blanks are being sent to high school principals. Tuition for all extramural courses is payable at the first meeting of each class. Available here:

MHS Students See Slides of World; Annual Staff Busy

By MARY TROBAUGH

Harry Johnson, retired Madison postmaster, entertained the chemistry class at Madison high school recently at the invitation of James Loy, chemistry instructor.

The program included slides which Johnson took during his world travels. Loy and the students expressed their appreciation for an interesting program.

The yearbook staff under the direction of Lee Ashby has been organizing material for the 1966 annual. The undergraduate section, under the direction of John Pheasant, has been taking pictures. Photos of the organization were taken on Tuesday and Wednesday. Marilyn Lampinski is editor of this section.

Four MHS students have been asked to give a program for radio station Wrrh on Feb. 13. Cathy Scott, Marilyn Lampinski, Kevin Morton and Leslie Sabo will present a panel discussion on new legislation passed in Illinois. Pheasant, English instructor, will serve as moderator.

Navy Plans 120-Day Program for Seniors All high school seniors wishing to join the Navy's 120-day program may take their mental and physical examinations Feb. 12 or March 12 in St. Louis. Howard Pulliam, local recruiter, announced.

Transportation, breakfast and lunch will be provided. The test will show which Navy program he may qualify for prior to graduation.

The program gives high school seniors the opportunity to join the Navy now and select a later date to report for active duty. This will give selected applicants accumulated longevity for pay purposes and make them eligible for an earlier promotion once on active duty.

After graduation, and on a date chosen by the applicant, he will report for active duty at one of the Navy's recruit training centers.

Participation in the pre-testing program involves no obligation to enlist, but it will give the applicant an idea of his qualifications. Full information may be obtained at the recruiting station in the city hall in Granite City.

WATER for BETTER LIVING

It's what you don't see that really counts! All but a small part of the facilities that make up our water system are buried underground as pipelines or situated apart from the mainstream of community activity, as is the case with our treatment and pumping installations. Out of sight, out of mind; but they are there nonetheless. That's why that pure, sparkling water for better living is always at your service.

County's Aid Cost Going Up, State Reports

Public aid funds of \$365,647 were allocated Madison county clients of the five major Illinois public assistance programs during November 1965, according to a report issued this week by Harold O. Swank, director of the Illinois Department of Public Aid, at Springfield. The amount was divided among 6700 recipients, an increase of 109 over the 6681 clients who received \$351,543 during October. The November total allocation was an increase of \$14,104 over October.

Old age pensioners in the county received a total of \$86,159 in November, compared to \$75,102 in October. The grants were made to 881 November pensioners, an increase of 88 over the 793 recipients in October.

Largest allocation for any single phase of the public program was \$180,465 to 4360 Aid to Dependent Children recipients in November, compared to \$180,863 distributed to 4347 Madison county clients during October. Blind pension allotments in November amounted to \$4546 for 39 recipients. In October, \$3803 was allotted to 42 clients.

The amount of allocations for disability pensions also increased in November, totaling \$44,757 for 436 clients, compared to \$40,382 for 435 recipients the previous month. Fifth phase of the program, general relief assistance, accounted for payment of \$40,099 for 1037 clients, compared to \$31,361 for 1012 clients in October.

The state-wide report showed that Aid to Dependent Children and to the medically indigent aged rolls decreased, while general assistance, old age assistance, blind assistance and disability assistance rolls increased.

Increase State Wide
Swank reported that an overall increase of \$301 recipients increased the total caseload for the state in November to 385,777, compared to 382,396 in October. In November 1964, the caseload was 410,590.

The report pointed out that more than 4000 aged recipients who temporarily left the rolls in October due to the receipt of increased Social Security benefits retroactive to January 1965, returned for assistance in November. The disabled and blind programs were affected similarly.

Public aid expenditures for the state as a whole totaled \$24,300,497 in November, compared to \$24,184,050 in October, and \$25,010,768 in November 1964. Aid to Dependent Children rolls for November throughout the state numbered 253,551, a decrease of 1983 over October's 254,114. The November, 1964, caseload was 256,079. The cost of the program in November amounted to \$11,119,613,769 and averaged \$45.99 per person, compared to the previous month's sum of \$11,501,876, averaging \$45.26 a person. The number of persons receiving general assistance in the state during November was 58,259, an increase of 26 over the 58,233 recipients in October, and 701 less than the November 1964, total of 65,960. Expenditures during November were \$3,256,238 and averaged \$55.89 per person, compared to an October expenditure of \$3,177,027, averaging \$54.56 per person. The cost of the program in November 1964, was \$3,242,297 and averaged \$49.16 per person.

Two Charges Filed

Charges of operating a motor vehicle without a driver's license and without state plates were placed against Robert White, Rural Route One, who was arrested Monday at 20th street and Madison avenue.

The cost of the program in November 1964, was \$3,242,297 and averaged \$49.16 per person.

Local Youths Begin Air Force Enlistments

Two local youths began basic training this week at Lackland Air Force Base, Tex., following induction ceremonies at the Federal Building, St. Louis. Enlisting for four-year tours of duty were Keith Seitzer, 19, son of Mr. and Mrs. Donald Seitzer, 206 East 25th street, and Gary Wright, 19, whose parents, Mr. and Mrs. Harold Wright, live at 731 Twenty-eighth street.

Both are 1964 graduates of Granite City high school. Seitzer attended classes at the Alton Center of Southern Illinois University-Southwestern Campus for one year and also was employed as a clerk at Cohen's Market. Wright continued his education for one year at the University of Illinois, Champaign. Since that time he has worked at Granite City Steel Co. to six feet away. They are in

Local Seaman on Patrol in Vietnam Area

Seaman Richard Dunlap, 18, son of Mr. and Mrs. Gerald Burger of Bend road, is on patrol duty in Vietnam aboard the destroyer escort USS Lowe.

He has been aboard the vessel since June and in the Vietnam area since August.

An informative letter, accompanied with photographs of their action, has been received by Mrs. Burger from the ship's captain, W. J. Morslock. A portion of it follows:

"A little more than a month has gone by and much activity has taken place. It has not all been as we had planned or hoped, but mostly good. Our schedule in Vietnam had to be changed to allow us to return to Subic Bay, Philippines, to have our two redeployment gears for the main engines reworked.

Ship Repair Failed
The job done by the ship repair facility Guam didn't hold up. It was a large and tedious job and all hope it will be done right this time. You know there are only 14 destroyer escorts and five must be on station at all times. When one of us breaks down, someone has to stand in our place. This is why we dislike breaking down — it's a point of honor.

"Lowe arrived at Nha Trang, Vietnam, and relieved two other destroyers who returned home to Guam, picked up a Vietnamese liaison officer and put to sea. Our first junk inspection found people without the correct papers, and by nightfall we were back in Nha Trang with our catch of 12 people from scratch.

"The people here are very uneducated and superstitious which adds some interest to our approach to the problem. We have developed several ideas to suit our purpose, most of which have a psychological side.

Build Speedboat
First, while still in Guam, we built a 25-knot speedboat. The crew built it from scratch. Second, we manufactured a mine detector which will pick up ferrous and non-ferrous metals up to six feet away. They are in

VIETNAM PATROL ACTIVITIES by members of the crew of the destroyer escort USS Lowe, aboard which Richard Dunlap of Bend road is seaman. Above, into use on a cargo junk. It turned up some 155 mm shell casings hidden beneath the cargo. The picture was made in a home-made photo lab developed in the ship's sick bay.

transistorized and cost only them on the January patrol. "A portable chemical testing kit was developed to determine exactly what chemicals are being carried in junks. Also, a quick conversion for making our whaleboat into a junk, a sailing junk of course, which a radarman season designed, cut and mounted the sail. It is litter-rigged with eyes and everything. We will use it at night."

The captain commended the entire ship's crew. "It is one of the finest crews I've ever served with. There has been nothing asked of them too small or too great to try, and would take a ship's roster to mention everyone's contribution."

Seaman Dunlap enlisted in the Navy for four years in August, 1964. He attended schools in Madison. His grandparents are Mr. and Mrs. C. D. Thomason of Granite City.

Serving Aboard Ship
Victor McLaughlin, son of Mr. and Mrs. Willie McLaughlin, 1123 Calhoun street, Venice, has graduated from boot training at the Great Lakes Naval Training Station and is now serving aboard the USS Skill out of South Carolina. He attended Madison high school.

Avoid Long Lines, Appointments Set For Registration

Students at the Southern Illinois University-Southwestern Campus will register for the spring quarter on an appointment basis to avoid long lines, C. B. Collier, director of registration, announced.

The students may register on the main central campus between Feb. 14 and 23 for classes at any center. Students must report to the enrollment office between Monday and Saturday of next week to arrange appointments. Offices are in room 116 of Pack hall, room 113 at East St. Louis and in the registrar's office at Alton.

Collier said students will not be assigned an appointment unless they bring their fee receipt (No. 3) card from the winter quarter. He added that students who have a class at the time they are scheduled to register may register at any time after their appointment to avoid missing the class.

Regular registration will be conducted Feb. 28 at the East St. Louis center and March 1 at the Alton center.

Peace Corps Recruit Team Now at SIU-SW
A Peace Corps team is at all three centers of the Southern Illinois University-Southwestern campus this week, interviewing prospective volunteers.

Three corpsmen who have returned from overseas are on the main campus all of this week and are assigned to Alton and East St. Louis centers today and tomorrow.

Non-competitive placement tests are being offered to applicants at the main campus. Information centers have been established.

VHS Nominates T.A.P. King, Queen Candidates

By JUDY REIDELBERGER

Usually members of a family will stick by each other no matter what happens but at Venice high school everyone is "atching the McIntosh brother... to see just what will happen.

Tom McIntosh, a sophomore, and Bob McIntosh, a junior, are competing for the title of "T.A.P. King." Other candidates are Bob Foley of the freshman class, and Charles Smith of the senior class.

Running for "T.A.P. Queen" are Margie McGarahan, a freshman; Pat Sitten, a sophomore; Judy Austin, a junior; and Barbara Manier, a senior.

For the ninth consecutive year, the publications class is sponsoring the "T.A.P. King and Queen" drive which takes the form of a dance at which a T.A.P. king and queen are crowned. Each penny donated counts as a vote for the candidates indicated. Each class nominated one boy and girl to represent them. However, they run individually.

Collect Door to Door

The candidates are even going from door to door collecting money for the Polio Foundation, and thus getting the people to support them.

The king and queen will be announced and crowned at the T.A.P. supper dance set for 5:30 to 7:30 p.m. Wednesday, Feb. 2. Those attending the dance will bring their own sack supper. Juniors will have the soda concession.

The retiring king and queen, Russell Turner and Glenda Brown, will crown their successors. All the money which is collected, plus door admissions, will be turned over to the Polio Foundation. Last year a total of \$341 was collected. Admission for the dance will be 25 cents.

Members of the sponsoring class are Mary Jane Grey, Linda Seibert, Barbara Manier, Judy Austin, Kay Willis, Charles Dumas and Judy Reidelberger, and their advisor, Mrs. Barbara Williams.

T.A.P. KING, QUEEN CANDIDATES seeking coronation at the annual supper dance next Wednesday evening at Venice high school to benefit the Polio Foundation. They are, from left, seated—Judy Austin, Pat Sitten, Margie McGarahan and Barbara Manier; and standing—Bob McIntosh, Tom McIntosh, Bob Foley and Charles Smith.

Two Local Boys on Hancock Off Vietnamese Coast

Seaman apprentice Dennis L. Kelley, USN, son of Mr. and Mrs. Daniel M. Kelley of 1810 Madison avenue and fireman apprentice Philip L. Lance, USN, son of Mrs. Mina E. Lance of 4407 Kinross, are off the Vietnamese coast in the South China Sea, serving aboard the attack aircraft carrier USS Hancock. She is the most recent addition to the carrier strike force of the Seventh Fleet.

Since her arrival in the South China Sea, Hancock has been launching almost daily air strikes against Viet Cong positions in South Vietnam.

College Night Set Tuesday at GCHS; Agents to be Here

College Night will be held at Granite City high school at 7 p.m. Tuesday when juniors and seniors and their parents may confer with representatives of various colleges and universities.

A general meeting will be held first in the school auditorium, and representatives then will disperse to various classrooms for individual discussions.

Represented will be Bradley University, Central College of Fayette, Mo., Eastern Illinois University, Charleston, Illinois College, Jacksonville, Illinois State University, Normal, MacMurry College, Jacksonville, Washington University, the Southern Illinois University-Southwestern Campus, St. Louis University, University of Illinois, the University of Missouri and Blackburn College, Carlinville.

Career Positions Open In Federal Government

The U. S. Civil Service Commission has announced an urgent need for college graduates or persons with equivalent experience to fill entrance level career positions in a variety of professional, administrative and non-technical fields.

The gateway to the positions is the federal service entrance examination, open to college seniors and graduate students regardless of their major field of study, as well as to persons who have had equivalent experience. The career opportunities available include positions in personnel management, general administration, economics and other social sciences, social security analysis, tax collection, electronic administration, management data processing, budget management, statistics, information and editorial, investigation, procurement and supply, housing management, adjudication and other quasi-legal work, and food and drug inspection.

Starting salaries are \$5181 or \$6289 per year. A written test is required, and applicants who file by Feb. 16 will be scheduled for the written test on March 19. The final date to apply is April 19. Details are listed in announcement 369 available in most post offices.

Conducts TV Research

Miss Marianne M. Wagner, Rural Route One, a senior in the Missouri University school of Journalism, was in charge of research for a radio-television panel discussion Sunday at Columbia, Mo., which featured Floyd Kitchen of Kirkwood, Mo., executive secretary of the new American Conservative Party of Missouri.

Electronic data processing is one of 26 one- and two-year programs conducted at Southern Illinois University's Vocational Technical Institute.

Snow Princess Dance Re-Set for March 12

The YMCA Teen Town's annual Snow Princess dance has been rescheduled for Saturday, March 12, Brian Bronsman, teenage director, announced.

The dance, originally set for last Jan. 15, was postponed to avoid a conflict with the high school's basketball schedule.

Nominees for Snow Princess, chosen by vote from 11th and 12th grade Teen Town members, are Barbara Richhaus, Vicki Duncan, Chris Daugherty, Jane Pool, Pat Parker, Pam Parkinson, Cheryl Smith, Lynn Sneed, Nancy Voeckel and Pat Wilson.

Though the final voting is complete and counted, the new Snow Princess will not be named until she is crowned at the coronation ceremonies by the retiring princess, Miss Linda Harris.

The new princess will receive a framed color portrait of the coronation ceremony and will reign for the rest of the year.

BUILDING A RELIGIOUS CENTER AT YOUR UNIVERSITY

A fund drive to build a multi-denominational religious center to serve students at the Edwardsville Campus of Southern Illinois University is presently underway. Following are the pertinent facts concerning the religious center and the drive to make it a reality.

1. LOCATION

The center will stand on a commanding site 200 yards from University Center on the Southern Illinois University campus at Edwardsville.

2. OWNERSHIP

The title to the land will be vested in the University Religious Center, an interdenominational and interfaith incorporated association.

3. MEMBERSHIP

All faiths will be included. Denominations presently identified are as follows: American Baptist, Southern Baptist, Episcopal, Lutheran (Missouri Synod), Methodist, Roman Catholic, Disciples, Presbyterian, United Church of Christ. The following religious groups are in correspondence with the Religious Center: Christian Science Organization, Jewish Federation of Southern Illinois, Eastern Orthodox Church, Assemblies of God.

4. CONSTRUCTION

The architects are Hellmuth, Obata & Kassabaum of East St. Louis; and the building is 21,000 square feet. Architecture is in keeping with the style of the buildings presently being erected. The building costs are economical for this type of construction.

5. OCCUPANCY

Each religious group's contribution of \$40,000 will entitle them permanent occupancy of a suite of rooms in the Center.

6. PURPOSE

The Center is conceived as a service agency and not as a place of public worship. While the idea of an all-faiths religious center is novel, it is not new. Other known centers are: State University of Pennsylvania, Southern Methodist University of Houston, Air Force Academy, University of Indiana, Ohio State and Cornell.

7. PARTICIPATION

All segments of the public are being invited to participate, including corporations, individuals, clubs, labor unions and members of the university "family." Area of the campaign includes twenty Illinois counties, St. Louis and St. Louis County.

8. DEDUCTIBILITY

Gifts are deductible from one's income tax.

9. COST

A. Overall cost of the Center—\$579,000.00.
B. Present denominational commitments—\$200,000.
C. Balance to be sought from public—\$379,000.

10. ENROLLMENT

More than 7,000 students are presently enrolled at the campus and this number is expected to increase to 16,000 by 1970.

Sunday Services

"Father-Mother is the name for tender relationship to His spiritual creation," is the passage of Mary Baker Eddy, discoverer and founder of Christian Science, to be included in the service at First Church of Christ, Scientist, 2560 Delmar avenue, on Sunday. The lesson is to be on "Love."

\$100, Not \$1000

Police Chief Frank DeWitt advised the Press-Record of a typographical error in Monday's issue relative to the reimbursement he received from the city for his recent attendance at the Police Chiefs' Association convention in Chicago. The reimbursement amounted to \$100 instead of \$1000.

SHOWER FOR MISS VERBA

A miscellaneous bridal shower was held Sunday for Miss Betty Verba, daughter of Mr. and Mrs. Jerry Verba, 912 Iowa street, given at the VFW hall by Misses Diane Stone and Linda Harris.

In games prizes were awarded to those excelling. Refreshments were served to 30 guests, including the bride-to-be's mother, Mrs. Antonia Verba. Miss Verba, an employee of a shoe firm, and her fiancé, Bill Rixie, an employee of Norfolk & Western Railroad, will be married Feb. 5 at St. Mary's Church in Madison.

ATTEND GRADUATION

Mrs. Thelma Stockton and Mrs. Beverly Shelton and daughters, Wanda and Deborah, 1923 Fifth street, attended the graduation of Miss Barbara Van Buskirk from William McKinley high school, Monday evening. They were dinner guests Sunday at the home of Mr. and Mrs. M. K. VanBuskirk, St. Louis, parents of the graduate.

Delray 786 Rebekah Lodge

members met at the Odd Fellows Hall in Madison Tuesday evening with the newly-installed noble grand, Mrs. Erma Graves, in charge.

Mrs. Ruth Winters introduced all new officers to the noble grand and presented each with a gift.

The officers receiving gifts were:

Mrs. Thelma Stockton, vice-grand; Mrs. Ruth Hannebrink, financial secretary; Miss Margaret Brown, treasurer; Mrs. Leo May Salmon, warden; Mrs. Eva Clemons, conductor; Mrs. Ophelia Smith, inside guardian; Mrs. Katie Barks, outside guardian; Mrs. Edna Foster, right supporter to the noble grand;

Mrs. Naomi James, left supporter to the noble grand; Mrs. Carrie Ber.

A cake walk concluded the early part of the evening's meeting. The group adjourned to the basement of the hall where a committee consisting of Mrs. Graves, Mrs. Ruth Winters, Mrs. Smith and Mrs. James decorated the tables and room for the Hawaiian luau. The center of the table was adorned with hula dancers, star fish, driftwood and home made cookies were placed on straw mats. Fruit salad and coffee were served.

At the close of the business meeting, Mrs. Barks showed movies taken at the Madison recreation center at the meeting of

At Illinois Power Company
it's our business
to serve you better

The world's largest
strip mine shovel

...or the smallest tot
in our territory

Both are mighty important customers to Illinois Power. That gigantic shovel above working in an Illinois coal mine needs millions of watts of electric energy every time it takes a bite. Big job. Important job.

On the other hand, warming the milk for Illinois Power's newest customer takes only about five watts of electricity. Little job—but just as important!

And so we do our best to provide the most dependable electric service possible today—and to keep improving generating and distribution facilities to give you even better service tomorrow.

At Illinois Power no customer will ever be too big for our capacity to serve—nor too small for us to care about.
